

BEFORE YOU BEGIN

1. Read these instructions and check to be sure all parts and tools are accounted for.
2. Please retain these installation instructions for future reference and parts ordering information

IMPORTANT

1. Please read the installation instructions carefully before you start.
2. If the vehicle is clean and free of other debris, it will be easy to install.
3. For your safety and to ensure a satisfactory installation, please complete all the installation steps in the order shown below.

INSTALLATION TIPS:

Refer to the sewn in label to match and arrange the appropriate cover with the appropriate portion of the seat.

Seat cover bottom A:

1. Install the seat cover bottom[A] to the front or rear seat base by stretching the elastic cover over the seat.

Seat cover back B:

1. Install the seat cover back[B] to the front or rear seat back by stretching the elastic cover over the seat back.
2. Loop Velcro straps through d-rings[C] then tighten and secure straps.
